CLUTCH COMMUNITY VOLUNTEER PROGRAM

Who can be a Clutch Community Volunteer?

We are seeking volunteers who embody our core values. The passion of our community is the cornerstone of what makes this sport thrive, and we are searching for driven individuals interested in assisting our events to elevate them to new heights. If you want to be a part of taking IATC, the IATF, and axe throwing to the next level, then we want you!

**OUR COMMUNITY,
OUR SPORT,
OUR FEDERATION**

WHAT WILL YOU BE DOING?

Check-in/Axe checking & Scorekeepers - The IATF is putting our game back into the hands of the community by recruiting people to participate in score keeping this year. Scorekeepers are needed to run every tournament during IATC and will work in small teams guided by an official ref.

You will be greeting competitors as they arrive, checking their axes meet legal specifications, and checking them in on the list of registered throwers. This role will be supervised by an official ref.

Interested volunteers must complete the scorekeeper quiz and score 80% or higher. Volunteers are able to try the quiz as many times as they want until their score is 80% or higher. The goal of this quiz is to ensure they know how to scorekeep, the quiz can be completed in as many attempts as needed.

Setup and teardown- Set up will happen on Saturday, June 15 at BATL Pickering in the afternoon after the conclusion of Round 2 Day 1 of the Wilson Cup. Jobs will include setting up fencing, putting up signage, moving cases, prepping the outdoor bar, and more. You will be working with the IATC team.

Teardown will happen on Sunday, June 16 at the end of Homecoming. Jobs will include folding and stacking tables and chairs, clearing empties and garbage, carefully putting away supplies for next year's IATC, tearing down the bar, etc... You will be working with the IATC team.

RULES TO FOLLOW

Clutch Community Rules:

1. Volunteers agree to follow the IATF Code of Conduct at all times.
